ONE CAN CLOTHES BANK AT WESLEY CHURCH OPENED IN OCTOBER 2023. ALTHOUGH THIS IS AN INITIATIVE THAT WE HAVE BEEN WORKING ON FOR SOME TIME WITH TWO MUMS FROM BEACONSFIELD.

Their original initiative was entitled *'Share Enough'* as they were driven by the principles that we all have more than enough to share, and that we owe it to the planet to try a bit harder to reuse items, alongside reducing waste, and of course supporting our community along the way.

Currently only children's clothes, One Can have been sourcing numerous items from them for some time as there is such a high need at present.

CLOTHES ARE SORTED BY HAND BY OUR WONDER TEAM OF VOLUNTEERS AND WASHED IF NEEDED. ALL OUR CLOTHES ARE IN A PRE-LOVED, GOOD CONDITION, SOME ARE EVEN NEW!

Clothes are easy to find; separated into boys and girls and ages. There are also shoes, coats, and school uniforms and if you don't find something you are looking for, we can try and source it for you.

Events through the year will reflect the that time of year, eg Summer and Winter clothes and Christmas items in December.

All we ask of you is, please:

- ✓ Only take what you need. There is enough for everyone!
- ✓ Treat the clothes with respect. We spend a lot of time sorting and folding.
- ✓ Recycle clothes - we will accept good condition clothes that your own children have grown out of.
- ✓ Treat our staff and volunteers with respect
- ✓ Look after your children. One Can do not take responsibility for children at the Wesley Church at any time.

Have a tea and coffee - its free!

One Can started as a food bank in 2011.
